ABOUT INTERNET ESSENTIALS

Internet Essentials is a free program that provides low-income households with the tools and resources they need to get online. This includes a computer, internet access, and digital literacy training. The program is available in several states, including California, Florida, and Texas. For more information, visit [internetessentials.com](#).

SPONSORED SERVICE & HOW IT WORKS

Internet Essentials provides a sponsored service that allows users to access the internet for free. This service is available to users who are eligible for the program. The sponsored service is provided through a partnership with Comcast. For more information, visit [internetessentials.com](#).
